

Welcome to  
NP08  
The 4<sup>th</sup> International Workshop on  
Nuclear and Particle Physics at J-  
PARC

on behalf of the organizers

# NP08 Announcement

- Photograph

- We are taking a group photograph just after the first plenary session (this session!). Please come to the front after the session.

- Lunch

- Today's lunch boxes will be served at the "Garden" room on the 1<sup>st</sup> floor.
- Lunches of Thursday and Friday will be served at the space in front of the Garden room.
- Please have your lunch inside the rooms. Eating in the public space (lobbies etc.) is strictly prohibited by the hotel's regulation.
- The number of the lunch boxes is based on those who have registered on-line. Thus people who have not registered on-line (i.e. people with on-site registration) have lower priorities. If lunch boxes are left after on-line registered people, then they can take them.

- Wireless LAN

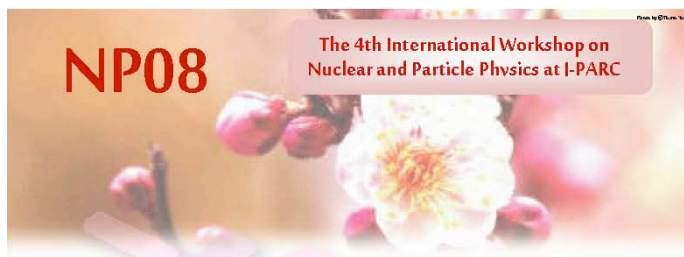

- SSID = np08, WEP Key = j8989

# NP08 Announcement

- J-PARC Tour
  - J-PARC Tour will be held on March 8 (Saturday).
  - Those who have registered on-line (from the registration web site) properly should have their own “ticket” at the back of their name tag. The alphabet on the ticket shows the group he/she belongs to at the tour.
  - If you don’t have a ticket but like to attend the tour, please register at the tour desk by **14:00 today**.
- 1<sup>st</sup> J-PARC Symposium: 14:00 - in this room.
- Banquet: from 18:00 – 20:00 at the next room.

Name Card

## The 1st International Symposium on Science at J-PARC

- 14:00 - 14:10: **Opening (Shoji Nagamiya, J-PARC Director)**
- 14:02 – 14:10: **Welcome (The Ministry of Education, Culture, Sports, Science and Technology)**
- 14:10 – 14:35: **Overview of J-PARC (Shoji Nagamiya, J-PARC Director)**

### Session 1: Material and Life Science at J-PARC

- Chairman: Andrew Taylor (Director of Rutherford Appleton Laboratory, UK)
- 14:35 – 15:15: **"Prospects for Soft Matter and Life Science with Neutrons and Muons"**  
Dieter Richter (Director, Research Centre Juelich, Institute for Solid State Research, Germany)
- 15:15 – 15:55: **"Prospects for Material Science with Neutrons and Muons"**  
Yoshinori Tokura (Professor of School of Engineering, The University of Tokyo)
- 15:55 - 16:25: Break

### Session 2: Particle and Nuclear Physics at J-PARC

- Chairman: Jean-Michel Poutissou (Associate Director of TRIUMF, Canada)
- 16:25 – 17:05: **"Neutrino and Elementary Particles"**  
Yoji Totsuka (Director of Research Center for Science Systems, Japan Society for the Promotion of Science)
- 17:05- 17:45: **"Science of Quarks and Hadrons"**  
Robert L. Jaffe (Director of the MIT Center for Theoretical Physics, USA)
